## Making payments work perfectly

EVO Payments UK is one of the most customer-focused and innovative card processors in the payment industry today. We have partnered with ..... to ..... And best of all, we charge no hidden fees.

YOUR COMPANY  
LOGO

### Why choose EVO:

**All major card brands.** We provide payment processing for all major credit and debit cards including Visa, MasterCard, Union Pay\*, and American Express\*. Our processing platform is compatible with virtually any point of sale product.

**Secure Technology.** EVO uses the latest tools to protect the card data of our customers. Our security practices include point-to-point encryption, tokenization, network protection, and system-wide monitoring.

**Simple, transparent pricing.** We offer competitive, transparent pricing with no hidden fees.

**Service and Support.** Our goal is to make it easy for you to work with us. As an EVO merchant, you can expect 24/7 customer service and tech support, and fast follow-up on questions and issues.

**Business Intelligence.** Our online Business Reporting Center (BRC) gives you instant access to your latest transaction data. Reports can be downloaded to use with popular accounting software programmes.

**Online Payments.** The EVO Payment Gateway can cater for all your on-line payment requirements. We also offer a Virtual Terminal for call centre or small office environments and our ProPay solution for small merchants looking to take payments remotely over the phone.

**Dynamic currency conversion.** DCC is available on our terminals for over 40 currencies.

\*Only available on standalone POS.

### Card Terminals

#### Fixed

Our Tetra Desk 3500 terminal is ideal for installation at a fixed spot such as a counter in a retail premise.

#### Portable

The Tetra Move 3500 can be moved around a premise such as a restaurant. Bluetooth or WiFi connectivity is available.

#### Mobile

A GPRS version of the Tetra Move 3500 is also available which is suitable for businesses that need to accept payments while on the move e.g. a tradesman.

All of our terminals support contactless payments and Apple and Google Pay.
